The Tie Dye Lab Party Information

Pricing is determined by the type of item and the number of items you choose. There are no other party fees. A price list can be found on our website.

Parties are for ALL ages!

For **ages 8 and under**, we request at least one adult helper per every three kids.

Size of parties:

Parties are designed for groups of 8 or more. The maximum number we can support during regular business hours is 20. If you have a group of 20 or more—you can either split your group into "shifts" OR sign up for an after-hours/private party.

After-Hours/Private Parties are designed for groups of 15 to 40. Groups essentially "rent" the Tie Dye Lab, plus the additional staff needed to make your party go smoothly. Cost will be based on the items selected to tie dye, plus a $3.00 after hours fee per item.

What's Included In a Par-Tie?

- Reserved party area for up to 1 1/2 hours. *(After-hour/private party is up to 2 hours)*
- Tables to set up décor, presents and food.
- Designated staff member(s) to show you how to tie and dye your items.
- Up to 6 colors per party.

What To Expect:

- Staff will walk your group through the Tie Dye process (20 – 30 minutes, depending on group size, age, and other factors).
- Once your items are tie dyed, staff will start the finishing process, which includes setting, rinsing and bagging your items for you to take home.
- During the finishing process, there will be time to eat, open presents, play games, socialize, etc. You may also choose to leave the lab to grab dinner at one of our local restaurants. When you come back, your items will be ready to go!
- Once items are finished staff will bring them out for your guests to see. Items will be slightly damp in bags, complete with wash-out instructions and special detergent for you to take home and wash.

Our Expectations:

- For food/décor items, please supply 4 - 6 tablecloths to cover the tables, as well as paper goods.
- Our staff will clean up the tie dye mess, but it is the parties responsibility to clean up food and décor items or any other outside items brought in.
- The Tie Dye Lab encourages customers to walk-in and create something wonderful. Please be respectful of their experience and our overall environment.
- HAVE FUN AND RELAX—THE TIE DYE MESS IS ON US :)

To Book a Party:
