

The Tie Dye Lab Party Information

Pricing is determined by the number of items selected to #imaginecreatewear. There are no other party fees. A price list can be found on our website.

Parties are for ALL ages! For ages 8 and under, we request at least one adult helper per every three kids.

Size of parties: Our party area is perfect for groups of 8 to 25. If there are more than 25 party goers, contact us for options or to book an After Hours party.

- **AFTER HOURS Parties** are suggested for groups of 15 to 40!
Groups essentially “rent” the Tie Dye Lab, plus the additional staff needed to make the party rock after close!
Cost will be based on the items selected to tie dye, plus an additional \$3.00 fee per item.

What’s included in a Par-Tie?

- Reserved party area for up to 1 1/2 hours. (*After hours is up to 2 hours*)
- Tables to set up décor, presents and food.
- Designated staff member to show you how to tie and dye their items.
- Up to 6 colors per party.

What to expect:

1. Staff will walk everyone through the Tie Dye process, which takes between 20 – 30 minutes (depends on group size, age and other factors).
2. Once all items are tie dyed, staff will start the finishing touches, about 30 –45 minutes. This includes setting, rinsing and bagging all items for you to take home.
3. ***There is down time, so bring something for the party goers to do!*** Eat pizza or cupcakes, open presents, play games (we encourage you to bring a favorite party game), socialize, etc. The party goers can even leave the lab to grab dinner at one of our local restaurants. Upon your return, all items will be ready to go!
4. Once items are ready, staff will bring them out for guests to unveil and fawn over. Items will be slightly damp in bags, complete with wash-out instructions and special detergent to take home and wash.

Your Responsibilities:

- For food/décor items, we recommend supplying 1 – 2 tablecloths, as well as paper goods for consumption and keeping our facility clean.
- Our staff will clean up the tie dye mess, but we ask that food, décor, and any other items be removed and our facility left as it was found.
- We are an entertaining bunch. Yet there will be some downtime that will require some planned activities.
- HAVE FUN AND RELAX—WE TAKE CARE OF THE FUN AND WHEN IT’S DONE!
