

The Tie Dye Lab Par-Tie Information

TO BOOK A PARTY OR NOT TO BOOK A PARTY, THAT IS THE QUESTION. *In fact, it's one of the most popular questions we get! To help answer that question, here are a few options for you to consider:*

- If you have a **group of 8 or more** and are looking to have an organized, food eating, present opening, game playing, tie-dyeing celebration while you hang out at The Lab, then you'll want to book a party!
- For **groups of 7 or under**, there is no need to book a party. Feel free to walk in ANYTIME and tie dye with us! You'll still have a fun tie-dyeing time!
- For **groups between 8 -12** just wanting to tie dye, but the organized party thing isn't your style, a reservation is recommended and depending on your situation a deposit may be required. Please call us in advance!
- We request that any **groups over 12** always book a party in advance.

IF YOU'VE DECIDED YOU WANT TO BOOK A PAR-TIE, HERE ARE THE DETAILS!

Party size: Our party area is perfect for groups of 8 – 25. If you plan on having more than 25 party goers, contact us for options or consider booking an After-hours party. **AFTER-HOURS Parties** are suggested for groups of 15 or more and are perfect for those who want their own private party at The Lab. After-Hours are held after the Tie Dye Lab closes, or on Mondays. Pricing and details for after-hours can be found by clicking here: [After Hours Par-Tie](#)

Pricing is determined by the number and type of items selected to tie dye. No other party fees! You may choose the same or a variety of items to tie dye. Refer to our website for an item and price list, or click here: [Items and Price List](#)

Parties are for ALL ages! For ages 8 and under, we request at least one adult helper per every three kids.

What's included in a Par-Tie?

- Reserved party area for up to 1 ½ hours.
- Tables to set up décor, presents and food.
- Designated staff members to show your party goers how to tie and dye their items.
- Choice of up to 6 colors per party.

What to expect:

1. Staff will walk everyone through the Tie Dye process, which takes between 20 – 30 minutes (depends on group size, age and other factors).
2. Once all items are tie dyed, staff will start the finishing touches, about 30 –45 minutes. This includes setting, rinsing and bagging all items for you to take home.
3. We are an entertaining bunch, but you will have downtime during the finishing touches that will require pre-planned activities on your part. Here's a few options:
 - a. **Stay at The Lab to celebrate!** Eat pizza or cupcakes, open presents, play games (we encourage you to bring a favorite party game), and just socialize.
 - b. **Leave The Lab to celebrate!** The party goers can also choose to leave the lab and grab a bite to eat at one of our local restaurants. Upon your return, all items will be ready to go!
4. Once items are ready, staff will bring them out for guests to unveil and fawn over. Items will be slightly damp in bags, complete with wash-out instructions and special detergent to take home and wash.

Your Responsibilities:

- For food/décor items, we recommend supplying 1 or 2 tablecloths, as well as paper goods for consumption.
- Our staff will clean up the tie dye mess. We ask that food, décor, and any other party items be cleaned by you.
- HAVE FUN AND RELAX!
